

SECTION 1: Identification of the substance/mixture and of the company/undertaking**Product Identifier****Material Name**

Silicon Carbide

Product Use

Semiconductor, Industrial and Optical Applications

Restrictions on Use

None known.

Supplier Information

한국 인테그리스 주식회사 (Hanguk Entegris Co., Ltd.)

경기도 수원시 영통구 광교로 109 한국나노기술원 13층
우편번호16229

전화번호: +82-31-8065-8300

팩스: +82-31-8065-8301

캠트렉 한국내 무료전화: 003-0813-2549

캠트렉 국제: 1-703-527-3887

긴급전화 : 031-8036-9806

E-mail: Product.stewardship@entegris.com

SECTION 2: Hazards identification**Hazard/Risk Classification**

None needed according to classification criteria.

Label elements**Hazard symbols**

None needed according to classification criteria.

Signal word

None needed according to classification criteria

Hazard/Risk Statement

None needed according to classification criteria.

Precautionary statements**Prevention**

None needed according to classification criteria.

Response

None needed according to classification criteria.

Storage

None needed according to classification criteria.

Disposal**P501** Dispose of contents/container in accordance with local/regional/national/international regulations (depending on the information set out in the Waste Control Act).**Other Hazards Which Do Not Result in Classification**

None known.

Safety Data Sheet

Material Name: Silicon Carbide

SDS ID: 0143 (KOREA)

SECTION 3: Composition / information on ingredients

CAS	Chemical name	Other Names	Percent
409-21-2	Silicon carbide	SiC	100

Impurities and stabilizing additives contributing to the GHS Classification

None

SECTION 4: First aid measures**Eye contact**

Flush eyes with plenty of water for at least 15 minutes. Then get immediate medical attention.

Skin contact

Wash skin with soap and water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention, if needed. Thoroughly clean and dry contaminated clothing and shoes before reuse.

Inhalation

If adverse effects occur, remove to uncontaminated area. Give artificial respiration if not breathing. Get immediate medical attention.

Ingestion

If swallowed, get medical attention.

Most Important Symptoms/Effects**Symptoms: Immediate**

No information on significant adverse effects.

Symptoms: Delayed

No information on significant adverse effects.

Indication of any immediate medical attention and special treatment needed

Treat symptomatically and supportively.

SECTION 5: Firefighting measures**Suitable extinguishing media**

Use extinguishing agents appropriate for surrounding fire.

Unsuitable Extinguishing Media

None known.

Specific hazards arising from the chemical

Negligible fire hazard.

Protective Equipment and Precautions for Firefighters

Wear full protective fire fighting gear including self contained breathing apparatus (SCBA) for protection against possible exposure.

Fire Fighting Measures

Move container from fire area if it can be done without risk. Cool containers with water from unmanned hose holder or monitor nozzles until well after fire is out. Use extinguishing agents appropriate for surrounding fire. Avoid inhalation of material or combustion by-products. Dike for later disposal.

Combustion

oxides of carbon, oxides of silicon

SECTION 6: Accidental release measures**Personal precautions, protective equipment and emergency procedures**

Safety Data Sheet

Material Name: Silicon Carbide

SDS ID: 0143 (KOREA)

Wear personal protective clothing and equipment. Minimize dust generation and accumulation. Keep unnecessary people away, isolate hazard area and deny entry. Provide adequate ventilation. Dust deposits should not be allowed to accumulate on surfaces, as these may form an explosive mixture if they are released into the atmosphere in sufficient concentration. Avoid the creation of dust when handling and avoid all possible sources of ignition (spark or flame). Non-sparking tools should be used when working with dust. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Environmental precautions

Avoid release to the environment.

Methods for Containment

Keep unnecessary people away, isolate hazard area and deny entry. If sweeping of a contaminated area is necessary, use a dust suppressant agent. Collect spill using a vacuum cleaner with a HEPA filter or wet and scoop up dry spills. Avoid sweeping spilled dry material. Eliminate ignition sources including sources of electrical, static or frictional sparks. Keep out of water supplies and sewers. Prevent entry into waterways, sewers, basements, or confined areas. Avoid accumulation of airborne dusts. Small spills: Move containers away from spill to a safe area. Vacuum or sweep up material and place in a designated, labeled waste container. Large spills: If emergency personnel are unavailable vacuum or carefully scoop up spilled materials and place in an appropriate container for disposal. Avoid creating dusty conditions and prevent wind dispersal.

SECTION 7: Handling and storage

Precautions for safe handling

Avoid contact with eyes, skin and clothing. Wash thoroughly after handling.

Conditions for safe storage, including any incompatibilities

None needed according to classification criteria.

Store in accordance with all current regulations and standards. Store in a well-ventilated area. Keep container tightly closed. Store in a cool, dry place. Keep separated from incompatible substances.

Incompatible Materials

oxidizing materials

SECTION 8: Exposure controls/personal protection

Exposure Guidelines

Component Exposure Limits

Silicon carbide	409-21-2
Korea:	10 mg/m ³ TWA (limited to fibrous materials)
ACGIH:	10 mg/m ³ TWA nonfibrous, inhalable particulate matter, particulate matter containing no asbestos and <1% crystalline silica ; 3 mg/m ³ TWA nonfibrous, respirable particulate matter, particulate matter containing no asbestos and <1% crystalline silica ; 0.1 fiber/cm ³ TWA (as determined by the membrane filter method at 400-450X magnification (4-mm objective), using phase-contrast illumination) respirable fibers, including whiskers, length >5 μm, aspect ratio >=3:1

ACGIH - Threshold Limit Values - Biological Exposure Indices (BEI)

There are no biological limit values for any of this product's components.

Appropriate engineering controls

Safety Data Sheet

Material Name: Silicon Carbide

SDS ID: 0143 (KOREA)

Provide local exhaust or process enclosure ventilation system. Ensure that dust-handling systems (such as exhaust ducts, dust collectors, vessels, and processing equipment) are designed in a manner to prevent the escape of dust into the work area (i.e., there is no leakage from the equipment). Ensure compliance with applicable exposure limits.

PERSONAL PROTECTIVE EQUIPMENT

Eye/face protection

When contacted directly to the applicable substance or with possible exposure, ensure to wear the required protective goggle/face shield certified by the Korea Occupational Safety and Health Agency (KOSHA).
Install eyewash and emergency shower facility near the work area.

Skin and Body Protection

When contacted directly to the applicable substance or with possible exposure, ensure to wear the required protective clothing for chemicals certified by the Korea Occupational Safety and Health Agency (KOSHA).

Hand protection

When contacted directly to the applicable substance or with possible exposure, ensure to wear the required safety gloves for chemicals certified by the Korea Occupational Safety and Health Agency (KOSHA).

Protective Materials

Not applicable.

Respiratory Protection

SCBA with full face piece should be available in case of emergency.

Further information

Not applicable.

SECTION 9: Physical and chemical properties

Appearance	green to gray crystals
Physical State	solid
Physical Form	crystals
Color	green to gray
Odor	odorless
Odor Threshold	Not available
pH	Not available
Melting Point	Not available
Freezing point	Not available
Boiling Point	3648.9 °C
Boiling Point Range	Not available
Flash Point	(Not flammable)
Evaporation Rate	Not available

Safety Data Sheet

Material Name: Silicon Carbide

SDS ID: 0143 (KOREA)

Flammability (solid, gas)	Not flammable
Upper Explosive Limit	Not available
Lower Explosive Limit	Not available
Vapor Pressure	Not available
Solubility (Other)	Not available
Water Solubility	(Insoluble)
Vapor Density (air=1)	Not available
Specific Gravity (water=1)	Not available
Partition coefficient: n-octanol/water	Not Determined
Autoignition Temperature	Not available
Decomposition temperature	2220 °C
Viscosity	Not available
Molecular Weight	40.1
Density	2 - 3.2 g/cc
Sublimation	3650 °C
Molecular Formula	Si-C

Solvent Solubility

Insoluble

acids, alcohols

SECTION 10: Stability and reactivity

Reactivity

No reactivity hazard is expected.

Chemical stability

Stable at normal temperatures and pressure.

Possibility of Hazardous Reactions

Will not polymerize.

Conditions to avoid

Avoid accumulation of airborne dusts. Avoid contact with incompatible materials.

Materials to Avoid (Incompatibilities)

oxidizing materials

Hazardous Decomposition Products

Thermal decomposition products

oxides of carbon, oxides of silicon

SECTION 11: Toxicological information

Information on Likely Routes of Exposure

Inhalation

No information on significant adverse effects.

Skin

No information on significant adverse effects.

Eye

No information on significant adverse effects.

Ingestion

No information on significant adverse effects.

Health Hazards

Acute and Chronic Toxicity

Component Analysis - LD50/LC50

The components of this material have been reviewed in various sources and no selected endpoints have been identified.

Acute Toxicity Estimate

No data available.

Immediate Effects

No information on significant adverse effects.

Delayed Effects

No information on significant adverse effects.

Skin corrosive/irritant

No data available.

Serious eye damage/irritation

No data available.

Respiratory Sensitization

No data available.

Dermal Sensitization

No data available.

Carcinogenicity

Not applicable based on available data.

Component Carcinogenicity

Silicon carbide	409-21-2
Korea:	1B - Presumed Human Carcinogen based on demonstrated animal carcinogenicity (limited to fibrous materials)

Mutagenic Data

Not applicable based on available data.

Reproductive Effects Data

Not applicable based on available data.

Specific Target Organ Toxicity - Single Exposure

No data available.

Specific Target Organ Toxicity - Repeated Exposure

No data available.

Aspiration hazard

No data available.

Medical Conditions Aggravated by Exposure

No data available.

SECTION 12: Ecological information

Ecotoxicity

Component Analysis - Aquatic Toxicity

No LOLI ecotoxicity data are available for this product's components.

Persistence and degradability

No data available.

Bioaccumulative Potential

No data available.

Mobility in soil

No data available.

Other adverse effects

No data available.

SECTION 13: Disposal considerations

Disposal Methods

Dispose in accordance with all applicable regulations.

Disposal Precaution

Dispose in accordance with all applicable regulations.

SECTION 14: Transport information

IATA Information:

UN#: Not regulated

ICAO Information:

UN#: Not regulated

IMDG Information:

UN#: Not regulated

International Bulk Chemical Code

This material does not contain any chemicals required by the IBC Code to be identified as dangerous chemicals in bulk.

Special precautions

None

SECTION 15: Regulatory information

Korea Regulations

Industrial Safety and Health Act

Silicon carbide	409-21-2
Occupational exposure limit values:	
TWA.	10 mg/m3 TWA (limited to fibrous materials) Serial No. 350

Safety Data Sheet

Material Name: Silicon Carbide

SDS ID: 0143 (KOREA)

Carcinogen	1B - Presumed Human Carcinogen based on demonstrated animal carcinogenicity (limited to fibrous materials) Serial No. 344
------------	--

Not applicable to the substance subject to PSM.

Chemicals Control Act (CCA)

None of the substances are regulated under the Chemicals Control Act.

Dangerous Materials Safety Control Act

This product is not regulated under the Dangerous Materials Safety Control Act.

Product Classification

Not applicable

Waste Management Act

Not applicable

Other requirements in domestic and other countries

No data available.

Component Analysis - Inventory

Silicon carbide (409-21-2)
