The qualification certificate can be queried in CNCA official website(www.cnca.gov.cn), in order to facilitate the social supervision. Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid. Where the scope of certification involves administrative licensing or national compulsory certification requirements, this certificate will become invalid as the relevant administrative license or national compulsory certification expires. The certified organization must regularly accept the supervision and audit, pass the audit and paste the supervision and audit qualification mark, and this certificate will continue to be valid.
